| Aesthetic     | Universale  | Side colour                  | White       |
| Colour        | White       | Logo                         | Silk screen |
| Material      | Metal sheet | Door shelves profile color   | Silver      |
| Logo colour   | Silver      | Drawers profile color        | Silver      |
| Side material | Steel       | Color of glass shelf profile | Chrome      |

## Refrigerator compartment features

|                                         |                                 |                                         |       |
|-----------------------------------------|---------------------------------|-----------------------------------------|-------|
| Number of compartments                  | 1                               | Crisper Cover                           | Yes   |
| Compartment types                       | Fruit and vegetable compartment | Bottle shelf                            | Yes   |
| No. of adjustable shelves               | 3                               | Type of crisper/vegetable drawers cover | Glass |
| Number of fruit and vegetables drawers  | 1                               | Internal light in fridge                | Yes   |
| Shelves material                        | Glass                           | Type of internal light (fridge)         | LED   |
| Type of crisper/vegetable drawers cover | Standard                        |                                         |       |

## Refrigerator Inner Door

|                                   |   |                       |   |
|-----------------------------------|---|-----------------------|---|
| Number of adjustable door shelves | 3 | No. of bottle shelves | 1 |
|-----------------------------------|---|-----------------------|---|

## Other Refrigerator features

|             |          |     |     |
|-------------|----------|-----|-----|
| Accessories | Egg tray | Fan | Yes |
|-------------|----------|-----|-----|

## Freezer compartment features

|                   |   |                |   |
|-------------------|---|----------------|---|
| Number of drawers | 3 | No. of shelves | 2 |
|-------------------|---|----------------|---|

## Other Freezer features

|             |           |
|-------------|-----------|
| Accessories | 1 ice box |
|-------------|-----------|

## Other technical features

|                             |              |
|-----------------------------|--------------|
| Type of temperature control | Meccanico    |
| No. of compressors          | 1            |
| Refrigerant gas type        | R600a        |
| Type of compressor          | Inverter     |
| Refrigerant Quantity (g)    | 44 g         |
| Foam agent                  | Cyclopentane |

## Performance / Energy Label - Reg. 2019

|                                                                                |           |                                     |                  |
|--------------------------------------------------------------------------------|-----------|-------------------------------------|------------------|
| Annual energy consumption                                                      | 224 kWh/a | Airborne acoustical noise emissions | 38 dB(A) re 1 pW |
| Energy efficiency class                                                        | E         | Temperature Rise Time               | 13 h             |
| Airborne acoustical noise emission class                                       | C         | 4 star - Freezing capacity          | 3.2 kg/24h       |
| Total net volume                                                               | 262 l     | Climate class                       | SN, T            |
| Sum of the volumes of the frozen compartment(s)                                | 69 l      | EEI                                 | 99 %             |
| Sum of the volumes of the chill compartment(s) and the unfrozen compartment(s) | 193 l     |                                     |                  |

## Electrical Connection

|                              |       |                |       |
|------------------------------|-------|----------------|-------|
| Electrical connection rating | 125 W | Frequency (Hz) | 50 Hz |
|------------------------------|-------|----------------|-------|

|             |           |                           |              |
|-------------|-----------|---------------------------|--------------|
| Current     | 0.8 A     | Power supply cable length | 150 cm       |
| Voltage (V) | 220-240 V | Plug                      | (F;E) Schuko |

## Logistic Information

|                      |        |                                          |         |
|----------------------|--------|------------------------------------------|---------|
| Width                | 540 mm | Height                                   | 1775 mm |
| Depth without handle | 545 mm | Product width with maximum doors opening | 540 mm  |

## Symbols glossary

|                                                                                  |                                                                                                                                 |                                                                                   |                                                                                                                                                          |
|----------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------|
|  | 4 stars freezing compartment for better food preservation.                                                                      |  | A++: Energy efficiency class A++ helps to save up to 20% energy compared to class A. Maximum performance with minimum consumption is guaranteed.         |
|  | The automatic defrost system works by automatically defrosting at regular intervals eliminating the need to defrost altogether. |  | Ventilated: Forced distribution of cold air in the refrigerator compartment, which allows even temperature distribution within the fridge.               |
|  | LED interior lighting: is a more energy efficient and long lasting way of illuminating the interior of the appliance.           |  | Smeg's evolution towards more intelligent and eco-friendly models has led to the choice of Inverter technology, which significantly reduces consumption. |
|  | Built-in niche                                                                                                                  |  | No Frost: The No Frost and Frost free systems prevent ice from forming so that no defrosting is required.                                                |
|  | Energy efficiency class E                                                                                                       |                                                                                   |                                                                                                                                                          |
