

# KDE600EX

|                      |                      |
|----------------------|----------------------|
| Product family       | Hood                 |
| Hood Type            | Decorative wall hood |
| Design               | Chimney              |
| Extraction           | Extraction           |
| Material             | Stainless steel      |
| Type of steel        | Brushed              |
| EAN code             | 8017709235154        |
| Hood width           | 60 cm                |
| Aesthetic            | Universale           |
| Colour               | Stainless steel      |
| Finishing            | Satin                |
| Components finishing | Stainless steel      |
| Serigraphy colour    | Black                |
| Logo                 | Silk screen          |

## Controls

|                 |         |
|-----------------|---------|
| Control setting | Buttons |
|-----------------|---------|

## Program / Functions

|               |   |
|---------------|---|
| No. of speeds | 3 |
|---------------|---|

## Technical Features

|                                                                                    |                                                                                     |                                    |           |
|------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|------------------------------------|-----------|
|  |  |                                    |           |
| No. of lights                                                                      | 2                                                                                   | No. of filters                     | 2         |
| Light type                                                                         | LED                                                                                 | Anti-grease filters                | Aluminium |
| Light Power                                                                        | 3 W                                                                                 | Vent outlet                        | 150 mm    |
| Light color temperature scale (K)                                                  | 2700 K                                                                              | Minimum distance from GAS hob      | 700 mm    |
| Free outlet maximum capacity                                                       | 588 m³/h                                                                            | Minimum distance from ELECTRIC hob | 500 mm    |
| Motor power                                                                        | 180 W                                                                               | Non return valve                   | Yes       |

|         | Extraction rate IEC 61591 [m³/h] | Noise level IEC 60704-2-13 [dBA] |
|---------|----------------------------------|----------------------------------|
| Speed 1 | 202                              | 42                               |
| Speed 2 | 307                              | 52                               |

|            |     |    |
|------------|-----|----|
| Speed<br>3 | 553 | 65 |
|------------|-----|----|

## Accessories included

|                |     |
|----------------|-----|
| Tube reduction | Yes |
|----------------|-----|

## Performance / Energy Label

|                                          |            |
|------------------------------------------|------------|
| Annual Efficiency Consumption (AEChood)  | 103 kWh/a  |
| Energy efficiency class (EEC)            | D          |
| Fluid Dynamic Efficiency (FDE)           | 12.6       |
| Fluid Dynamic Efficiency class (FDEC)    | E          |
| Lighting Efficiency (LE)                 | 16.1 lux/W |
| Lighting Efficiency Class (LEC)          | C          |
| Grease Filtering Efficiency (GFE)        | 76 %       |
| Grease Filtering Efficiency Class (GFEC) | C          |
| Air flow at minumum speed (Qmin)         | 208 m³/h   |
| Air flow at maximum speed (Qmax)         | 559 m³/h   |

|                                                                                |          |
|--------------------------------------------------------------------------------|----------|
| Airbourne acoustical A-weighted sound Power Emission at minimum speed (SPEmin) | 44 dBA   |
| Airborne acoustical A-weighted sound Power Emission at maximum speed (SPEmax)  | 67 dBA   |
| Time increase factor (F)                                                       | 1.5      |
| Measured air flow rate at best efficiency point (Qbep)                         | 320 m³/h |
| Measured air pressure at best efficiency point (Pbep)                          | 255 Pa   |
| Measured electric power input at best efficiency point (Wbep)                  | 180 W    |
| Nominal Power consumption of the light system (WL)                             | 6 W      |
| Average illumination of the light on the cooking surface (Emiddle)             | 97 lux   |
| Sound power level at highest setting (Lwa)                                     | 67 dBA   |

## Electrical Connection

|                              |           |                           |             |
|------------------------------|-----------|---------------------------|-------------|
| Electrical connection rating | 186 W     | Power supply cable length | 1500 mm     |
| Voltage                      | 220-240 V | Plug                      | Not present |
| Frequency (Hz)               | 50-60 Hz  |                           |             |

## Optional accessories

|                 |          |
|-----------------|----------|
| Charcoal filter | KITFC450 |
|-----------------|----------|

---

## Compatible Accessories

---

**KITFC450**

Charcoal filters ROUND Kit 2 pieces

---

## Symbols glossary

---

**Filters:** Model has filters to help remove grease from the steam emanating from the pans during cooking.

**Lights:** All cooker hoods feature lights to illuminate the cooking area or add to the ambience of the kitchen.
