

**Product fiche concerning the COMMISSION REGULATION (EU) No 66/2014 of 14 January 2014**

---

|                                                                       |                       |
|-----------------------------------------------------------------------|-----------------------|
| Supplier name or brand                                                | SMEG                  |
| Product code                                                          | KSEC61XE3             |
| Annual Efficiency Consumption (AEChood)                               | 59.6 kWh/a            |
| Energy efficiency class                                               | C                     |
| Fluid Dynamic Efficiency (FDEhood)                                    | 10                    |
| Fluid Dynamic Efficiency class                                        | E                     |
| Lighting Efficiency (LEhood)                                          | 11 lux/W              |
| Lighting Efficiency Class                                             | E                     |
| Grease Filtering Efficiency                                           | 40 %                  |
| Grease Filtering Efficiency Class                                     | G                     |
| Air Flow at minimum speed                                             | 170 m <sup>3</sup> /h |
| Air flow at maximum speed                                             | 305 m <sup>3</sup> /h |
| Airbourne acoustical A-weighted sound Power Emission at minimum speed | 58 dBA                |
| Airborne acoustical A-weighted sound Power Emission at maximum speed  | 72 dBA                |
| Time increase factor                                                  | 1.6                   |
| Energy efficiency index                                               | 84.8                  |
| Measured air flow rate at best efficiency point                       | 167 m <sup>3</sup> /h |
| Measured air pressure at best efficiency point                        | 198 Pa                |
| Measured electric power input at best efficiency point                | 92 W                  |
| Normal Power of the light system                                      | 8 W                   |
| Average illumination of the light on the cooking surface (Emiddle)    | 90 lux                |
| Sound power level at highest setting                                  | 72 dBA                |
